CITY OF ORLANDO

Orlando, Florida

Dear Friend:

We welcome you to Orlando, the best little city east of the Pacific and west of the Atlantic you have ever visited.

Orlando has grown and prospered several hundred fold in the past few years by an influx of climate loving and beauty starved folk who fell in love with the city, made it their home and helped put it on the map. If this is your first visit to "The City Beautiful" you'll appreciate at once that here indeed is a delightful place in which to live, and we hope you will be with us long enough to realize that there are tremendous business opportunities awaiting you here and then make this your permanent home.

So we welcome you gladly to Orlando. We know you'll like the city, and, please be assured, everyone in it from the newest policeman to the oldest citizen will do the utmost to make you safe and contented.

The latch string to the city "gate" is never hanging out for visitors. In fact we have no latch string. The "gate" is always open wide and you are forever welcome to be in our midst. We hope you will enjoy your stay here and decide to be with us always.

Very sincerely yours,

H. F. BAKER,

Chief of Police.
